

KOOK is a **queer**, FLINTA-oriented organization. We are open to everyone who believes in community, curiosity, and collective expression.

We act on a simple principle:  
everything, everywhere.

We bring visions into clubs,  
galleries, streets, and living rooms.  
Our work is **grounded in collaboration**.

We don't fit in categories; we expand them. Inclusive by design, future-driven by choice. Join us for an idea, a collaboration, or a party. We are ready to meet you, **whoever** you are, **everywhere** you want to go.

If you are a fascist,  
a homophobic  
or just a stupid,  
don't reach us.
